PRAISE TO THE LORD, THE ALMIGHTY

Director, Melora Brooks, Class of 1987
Praise to the Lord, the Almighty, the King of creation!
O my soul, praise him, for he is your health and salvation!
All you who hear, now to his temple draw near,
Joining in glad adoration!

Praise to the Lord, who o'er all things is wondrously reigning,
Sheltering you under his wings and so gently sustaining.
Have you not seen? All that is needful has been
Granted in all his ordaining.

Praise to the Lord, who does prosper your work and defend you;
Surely his goodness and mercy shall ever attend you!
Ponder anew what the Almighty can do,
Who with his love does befriend you.

Praise to the Lord! O let all that is in me adore him!
All that have life and breath, come now with praises before him!
Let the Amen sound from his people again;
Gladly always we adore him.

GOD OF OUR FATHERS George W. Warren

Director, Jeffrey Lant, Class of 1987

God of our fathers, whose almighty hand
Leads forth in beauty all the starry band
Of shining worlds in splendor through the skies:
Our grateful songs before your throne arise.

Your love divine has led us in the past;
In this free land by you our lot is cast;
Oh, be our ruler, guardian, guide, and stay;
Your Word our law, your paths our chosen way.

From war's alarms, from deadly pestilence,
Make your strong arm our ever sure defense.
Your true religion in our hearts increase;
Your bounteous goodness nourish us in peace.

Refresh your people on their toilsome way;
Lead us from night to never-ending day;
Fill all our lives with heav'n-born love and grace
Until at last we meet before your face.

Appearance of a name on this program is presumptive evidence of graduation, but it must not be regarded as conclusive. The Diploma of the college, signed and sealed by its officers, remains the official testimony of the possession of the degree.

Preliminary honors appearing in this program are based upon only seven terms of academic work. Final honors recognition will appear on transcripts and will be based upon the Whitworth academic work leading to graduation.

ACADEMIC COSTUME

Academic costume is a tradition dating from the Middle Ages, when long robes and hoods were everyday attire, designed to protect against the cold and drafts of medieval university halls. It remains the regular costume at some British universities.

The many variations among academic dress are not incidental, but are rich in meaning. Each costume represents both the degree held by the wearer and the institution which awarded it. While in Europe each university has been free to adopt whatever designs it wished, a considerable degree of standardization has been achieved in the United States. Following are some of the elements of the code of academic dress.

HOODS. The hood, which is draped down the back, carries more symbolic significance than any other part of the costume. The border, extending over the shoulders to meet in a 'V' at the front, indicates by its colors the discipline in which the degree was earned. Colors for some of the faculties are: *white*, arts, letters, humanities; *cream*, social science; *dark blue*, philosophy; *light blue*, education; *scarlet*, theology; *pink*, music; *golden yellow*, natural

science; *lemon*, library science; *drab*, business, accounting; and *sage green*, physical education.

The lining of the hood, partly exposed, is in the colors of the university which granted the degree (for Whitworth, red and black). Doctor's hoods are longer than Master's hoods and have a wider border. Bachelor's degree recipients do not wear hoods.

GOWNS. Black gowns are the rule, but a few universities use other colors: Harvard crimson, Yale blue, Columbia slate gray, for example. Doctor's gowns are most readily recognizable by three horizontal velvet bars on each sleeve, either black or in the color of the discipline in which the degree was granted. Most Doctor's gowns also have velvet panels down the front. On the typical Master's gown, the sleeve has a long closed flap hanging down from the elbow. The Bachelor's gown does not have decorated panels or sleeves.

CAPS. The familiar hard-topped mortarboard, or "Oxford cap," has long been standard, but a few universities, Columbia for instance, use a soft tam instead. The tassels are usually black or the color of the discipline. Doctor's tassels can be metallic gold.
